

## STRAWBERRY PUDDING

- 1 1/2 pints sweetened strawberries
- 1 small package strawberry gelatin
- 3 cups cold milk
- 2 (3 1/2 oz) boxes instant vanilla pudding (1 lg. size will do)
- 1 cup sour cream
- 3 cups whipped topping (lg. Cool Whip)
- 1 box vanilla wafers

Heat the sweetened berries with gelatin until gelatin dissolves (do not add water). Set aside to cool. Beat together milk and pudding. Stir in sour cream and then fold in whipped topping. Layer wafers, whipped topping mixture and strawberry mixture. Repeat. Top with whipped topping.
